

Where Do We Go From Here?

As our church began a new journey in Candler, the plan was to fulfill our Mission Statement:

We are the Catholic community of St. Joan of Arc, united in our journey of faith and spiritual growth, by proclaiming and giving witness to Christ for all persons.

In 2008, with the help of Fr. John Pagel, the Knights of Columbus was formed with the installation of 30 members. Now there are 60! Our Council at St. Joan of Arc has become one of the most awarded councils in the state of North Carolina.

The Catholic Daughters of The Americas had 11 active members, now 26 ladies have joined this group of women striving to embrace the principle of faith working through love and unity.

Loving Food Resources—St. Joan of Arc has been involved with the food pantry for well over 20 years and still continues to contribute to this worthy cause.

Our Women's Spirituality Group has been in existence for 9 years, allowing our ladies a time for reflection and spiritual growth.

Our newest Outreach Ministry, Bright Blessings, continues to reach out to the community giving joy to homeless children and expectant mothers.

These ministries and National Organizations continually reach out to our surrounding area with their various programs such as: *Food Bank, Angel Tree, Winter Coats for the Homeless, School Supplies for our children, Victory Junction (camp for children with serious medical conditions), Pregnancy Ministry*; just to name a few.

And so we ask ourselves—where do we go from here? Is there a place for me in one of these worthwhile ministries? What are MY gifts and how can I share them? Where is God calling me to go?

Please say YES!

10 Year Anniversary Celebration Info p 4, May 28, 2017
